

COMMONWEALTH OF KENTUCKY

BEFORE THE KENTUCKY PUBLIC SERVICE COMMISSION

In the Matter of:

PETITION OF NPCR, INC.)
D/B/A NEXTEL PARTNERS) CASE NO. 2003-00143
FOR DESIGNATION AS)
AN ELIGIBLE TELECOMMUNICATIONS CARRIER)
IN THE COMMONWEALTH OF KENTUCKY)

**NOTICE OF AMENDMENT TO PETITION
FOR DESIGNATION AS AN ELIGIBLE TELECOMMUNICATIONS CARRIER**

NPCR, Inc. d/b/a Nextel Partners ("Nextel Partners"), by its undersigned counsel and pursuant to Section 214(e)(6) of the Communications Act of 1934, as amended (the "Act"), hereby submits this Notice of Amendment ("Amendment") to its Petition for Designation ("Petition") as an eligible telecommunications carrier ("ETC") in the State of Kentucky, filed on April 23, 2003.

This Amendment: (i) revises footnote 1 of Nextel Partners' Petition to provide additional clarification concerning the licenses pursuant to which Nextel Partners provides service in the State of Kentucky and (ii) revises footnote 8 to correct an inadvertent clerical error.

1. Revision to Footnote 1 of Petition

Footnote 1 of Nextel Partners' Petition presently states:

"Nextel Partners is the A, B and C Block EA licensee throughout the State of Kentucky."

The original footnote 1 is hereby revised to state as follows (struck-through text is deleted, and double-underlined text is inserted):

Nextel Partners is the A, B and C Block EA licensee throughout the State of Kentucky. The FCC's ULS database contains a record of the many 800 MHz Economic Area ("EA") and site-based licenses pursuant to which Nextel Partners offers its services in Kentucky. The licenses are held by wholly-owned subsidiaries of Nextel Partners Operating Corp., which also owns 100% of Petitioner NPCR, Inc.

2. Revision to Footnote 8 of Petition

Footnote 8 of Nextel Partners' Petition contains a clerical error that requires correction. It presently states:

"For purposes of this Petition, the coverage map provided in Attachment 2 hereto reflects the result of a conservative radiofrequency propagation analysis assuming a one-watt wireless phone at -105dB."

The original footnote 8 is hereby revised to state as follows (struck-through text should be deleted, and double-underlined text inserted):

For purposes of this Petition, the coverage map provided in Attachment 2 hereto reflects the result of a conservative radiofrequency propagation analysis assuming a ~~one-watt~~ three-watt wireless phone at -105dB.

Apart from the foregoing revisions, the language of Nextel Partners' Petition as currently filed remains unchanged.

Respectfully submitted,

NPCR, INC. d/b/a NEXTEL PARTNERS
